ACHIEVING EXCELLENCE IN A LEARNING COMMUNITY

What can I do to help my child?

As part of our amazing practice at EPHS we are constantly aiming to deliver high quality lessons and assessments to monitor your child's progress and support when necessary. During the exam periods in particular, it is important that we work together to fulfil your child's potential.

This could be achieved by:

- Ensuring your child packs their books and equipment for school the night before
- Do they have a pencil case containing the equipment listed in the school planner?
- Are they checking Show My Homework and completing all set work?
- Are they aware of their pathway or target grade?
- Do they know what to do in order to improve in a subject?
- Have you spoken to teachers about any concerns they have in lessons?
