Home Learning

How often should my child be set home learning?

Year Group	Frequency (per fortnight)	Approximate time per home learning task	
7 & 8	1 (2 for core curriculum areas)	30 mins	
9	1 or 2	45 mins	
10 & 11	2	60 mins	
12 & 13	Approximately one hour of home learning for every hour of lesson time		

- Clear success criteria for each homework task
- Set homework which has stretch and challenge, yet is accessible for all pupils in the group
- Relevant, clear link to curriculum plans
- No requirement that students print or have access to costly resources at home
- An outlet for creativity using a variety of task types
- Can be achieved in the time allocated
- In line with school assessment policy (frequency & length)

 Reading for pleasure is the single biggest indicator of a child's future success – more than their family circumstances, their parents' educational background or their income

 Reading for pleasure is one of the most important predictors of exam success at age 16, regardless of background

 There is a strong correlation between regular reading for pleasure and mental wellbeing

Revision is an active process of revisiting material

- Using revision cards to test yourself or asking friends or family to quiz you
- Doing past paper questions, assessing against the mark scheme and checking against the content on your revision cards
- Quizzing yourself using online resources like GCSEpod, Seneca or Mymaths
- Seeing if you can reproduce content on flashcards or mindmaps from memory then checking against the original

Supporting children. families and schools

The Ealing Schools Counselling Partnership is working to improve the emotional wellbeing of children, parents and staff by working with the whole school community.

Sometimes we could all do with someone to talk to. We can help if you are concerned about your child or if you would like to talk about any other worries that are affecting you or your family.

We aim to work in partnership to:

Provide everyone with a confidential space where thoughts and feelings can be explored

Raise children's self-esteem to help them to feel more confident and build positive relationships at home and at school

Offer practical and emotional support to families and carers helping them to better understand and communicate with their children

If you would like to talk to someone or find out more about our service, come to a parents drop in session at your school or contact:

External Support

Circle is a hub space and café that offers support for young people in Ealing who are at, or near crisis point with their mental health.

Most of the young people attending A&E for mental health support are dealing with anxiety, depression, self-harming behaviour and suicidality risks. The earlier a young person gets support for their mental health, the more effective that support will be.

That's why Circle exists: to provide mental health support early, and prevent things getting worse.

You can drop it or make your own referral through their website

Who is Circle for: Children and Young People aged 5-18 who are in active mental distress

What and Where: Young people can come in for advice, support, or just to talk, with drop-in or appointment-based services.

When: Open 365 days a year

Opening times

Monday to Friday: 3pm – 11pm

Weekends and Bank Holidays: 12pm - 8pm

Drop-In Times

Monday to Friday: 3.30pm-6.30pm

Mobile Phones

Thank you!

We do not allow mobile phones to be used in school.

Students should have them off and in their bag.

If you (or they) need to be contacted throughout the day, we have many ways in which we can connect you.

We urge you to check your child's communication.

Mobile phones have caused us a lot of issues and we need support in ensuring that students are using devices safely.
